Are you certain that your practices in Horizon Europe projects fully comply with the rules?

Do you know the most common errors beneficiaries make when preparing and submitting cost claims?

This webinar will examine the **15 most critical and recurring mistakes** that beneficiaries make in the financial management of Horizon Europe projects.

Drawing on **real-life examples and lessons learned** from past audits, it will provide participants with **practical guidance** on how to identify and prevent these mistakes, while ensuring compliance with Horizon Europe's financial rules.

The session will be divided into two parts:

- The first part will present the **common mistakes** with **clear explanations** and **practical illustrations**.
- The second part will offer participants the opportunity to **engage in a Q&A session**.

What you will gain

- ✓ A clear understanding of the 15 major and recurring mistakes found in Horizon Europe projects.
- ✓ Concrete examples of how these errors arise in project management and reporting.
- ✓ Practical tips to avoid financial risks and non-eligible costs.
- ✓ Guidance on setting up internal checks to ensure compliance.
- ✓ An opportunity to hear questions and clarifications from a wide audience across the EU on this topic.

The trainer

Charis Spanoudis, Head of Financial Management Unit - GrantXpert Consulting

Charis is the Head of Financial Management Unit at GrantXpert, with extensive experience in financial management, specialising in budgeting, financial supervision, and training for EU-funded projects.

Since joining GrantXpert in 2018, Charis has managed more than 70 European-funded projects, overseeing total budgets exceeding €30 million.

With over 15 years of experience, he has built a strong track record of success in ensuring compliance, optimising financial resources and managing multi-million euro budgets across various funding programs.

His expertise covers programs such as Horizon 2020, Horizon Europe, Erasmus+ Cooperation Partnerships, Alliances for Innovation, Creative Europe, Digital Europe, as well as EEA & Norway Grants (as Fund Operator).

His career in financial management began at the Cyprus Human Resources Development Authority (2010-2015), where he provided financial and accounting support to an EU-funded program of 7.5 million euros, gaining significant experience in budget control, financial reporting and compliance.

- Bachelor's degree in Business Administration, University of Nicosia
- Master's Degree in Human Resource Management and Organizational Behavior, Cyprus International Institute of Management (CIIM)
